

TEMPLETON EMERGING MARKETS INVESTMENT TRUST PLC (“TEMIT” and the “Company”) Your Guide to Voting

How can I find out the number of shares I hold?

The number of shares you hold should appear on your recent Securities Transaction Statement or you can contact the New Zealand Registrar, Computershare on 09 488 8777 (New Zealand only) or +64 9 488 8777 (for outside New Zealand).

What is a Proxy and why do I need it?

Many people find it difficult to attend a meeting in person to make their wishes known. To overcome this they provide a written authorisation for someone, a “Proxy” to vote on their behalf.

The Board notes the guidance issued by the UK Government on 23 March 2020, restricting social gatherings and non-essential travel in view of the Covid-19 pandemic. In light of these measures, we hope that shareholders understand that our AGM will be run as a closed meeting and shareholders will be prohibited from attending the Meeting. You are requested to nominate the Chairman of the meeting as your proxy, as other individuals will not be admitted to the meeting. Whilst you can choose anybody to act as your Proxy (not needing to be involved with TEMIT) and you can appoint more than one Proxy, to vote on different shares (as you cannot have more than one Proxy to vote on different shares (as you cannot have more than one Proxy voting on the same shares), for the reasons set out above, we strongly recommend you appoint the Chairman of the meeting as your proxy.

How do I appoint a Proxy?

You can appoint a Proxy by post, by completing the Form of Proxy enclosed in your pack or through the Internet. (See “Can I register a proxy online” below.) Please note you do not need to complete the paper Form of Proxy if you are voting online but you will need some of the information contained on it.

Can I appoint more than one Proxy?

No, each shareholder can only appoint one Proxy and joint holders are counted as one shareholder in this instance. You are requested to nominate the Chairman of the meeting as your proxy, as other individuals will not be admitted to the meeting.

Do I need to tell you if I am coming to the meeting?

The meeting will be held on 9 July 2020 at 12 noon (British Summer Time) Cannon Place, 78 Cannon Street, London EC4N 6HL. The Board notes the guidance issued by the UK Government on 23 March 2020, restricting social gatherings and non-essential travel in view of the Covid-19 pandemic. Due to the current pandemic situation and the restrictions on travel and social contact, this year the Board is asking that shareholders do not attend the Annual General Meeting. The Board encourages shareholders to submit their proxies as early as possible, to enable all votes to be counted, and to follow all government guidance and to submit questions prior to the Annual General Meeting. In light of the evolving situation, it may in any case be necessary to change the arrangements for this year’s Annual General Meeting after the date of the Notice. The answers to questions addressed by shareholders will be provided on our website together with the Investment Manager’s presentation. In light of these measures, we hope that shareholders understand that our AGM will be run as a closed meeting and shareholders will be prohibited from attending the Meeting (attendance will be restricted to the minimum number of directors or FT staff to form a quorum).

What happens if the shares are held in joint names?

Only one shareholder needs to sign the Form of Proxy. If more than one shareholder wants to appoint a Proxy for the shares, we will take our instructions from the first-named holder on the Company register.

What parts of the form do I need to complete?

When you complete the form you need to make sure that you indicate how you would like your vote to be cast by putting a cross (“X”) in the “for”, “against” or “abstain” boxes next to each resolution. You may only choose one option for each resolution. If none of the boxes next to a resolution are marked your Proxy may vote or abstain from the voting as he/she thinks fit.

What do I do if I make a mistake on the form?

If you make a mistake, simply cross the mistake out and initial it. If the mistake is crossed out but not initialled we will not be able to accept your instruction.

How do I vote if I am acting under an authority like a power of attorney?

Complete the form in the usual way; however, when you return it you must attach the Power of Attorney and a non- revocation certificate relating to that Power of Attorney, (or certified copies of those documents) that have been used to support your signature on the form.

Who can certify a copy of the authority documents?

A solicitor or notary public can provide the certification required.

Who can vote on behalf of shares held by the company?

If the shares are held on behalf of a company, the Form of Proxy must be signed on its behalf by an officer of the company, an attorney for the company or executed under its common seal. The signer's name must be printed in capital letters underneath the signature, along with the capacity under which they signed the form, including job title.

What happens if I do not send my form back?

If you do not send the form back, you forego your right to influence the direction TEMIT takes in future. You will not lose any shares owned by you if you do not exercise your right to vote.

What do I do once I have completed the form?

You should send/deliver your completed, signed Form of Proxy, along with any authority under which it is signed, to the Company's registrars, Computershare Investor Services Limited, Private Bag 92119, Victoria Street West, Auckland 1142, New Zealand. **The form must arrive by 5.00pm (New Zealand time) on 6 July 2020 for your instructions to be taken into consideration.**
